Dear Mr. Szabo:

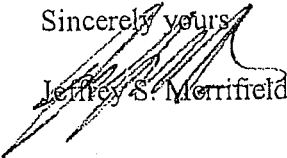

Please find attached an amendment to the Public Financial Disclosure Report that I filed on July 3, 2007, to include reimbursements that I received for travel that occurred before I left the Commission. I am attaching only the two pages on which I have made changes (pages 7 and 8).

As I recall, I prepared the initial form in mid-June, prior to my last day at the Commission on June 21, 2007. At that time, I worked from the previous year's form and focused on Schedules A and B to update my financial information. I signed the form on July 3, 2007, when I returned to the office to retrieve my belongings.

I inadvertently did not include on that form travel information that occurred in June 2007. In the past when I filled on these disclosure forms on a yearly basis, I had information that needed to be reported only on Schedule A and Schedule B, Part I. Based on past practices, I focused on these sections and updated them when I reviewed the draft of this last report. Because I did not sufficiently review the remaining portions of the form as carefully as I should, I did not realize that there was information associated with a job search that I was undertaking at the end of my term on the Commission that I should have included in Schedule B and C. I am providing that information now. In the attached amendments, I have included reimbursements for two trips in Schedule B, Part II. However, I did not actually receive reimbursement for one of these trips -- and as I recollect, for neither of them -- until after I signed the form on July 3rd.

Please feel free to contact me if I may provide any further information. Thank you for your assistance with this matter.

Sincerely yours,

Jeffrey S. Merrifield
