Subject: Proposal for 2 review articles

Dear Eric:

Thank you for thinking of me for the Safety in Breast Feeding and the Tolerability of PaxilCR review articles. A proposal for both is attached. Please review and contact me with questions. As we discussed on Friday, I am not able to start work on these papers until September, but if we decide to move forward, I will reserve that month for these projects.

Two other questions:

1) Lydia Lewis from the DBSA asked me to be the writer for their upcoming dual diagnosis consensus meeting this November. She mentioned that Scott committed GSK to funding the writing costs for the consensus statement. Lydia is asking if GSK will be able to pay me directly rather than offering the DBSA a grant for the cost of the writing. I am having problems connecting with Scott. If you see him in the near future, would you inquire about this? I would submit the proposal directly to GSK and bill GSK directly. (Thanks)

2) Is there a problem with my invoice for writing Dwight Evans, editorial for the DBSA, comorbidity issue to Biological Psychiatry? I submitted it over a month ago and was wondering about the status. If the payment cycle >30 days, so be it. I was just wondering.

Thanks again Eric. I look forward to working with you again.
